Dear (name of relative, friend, to whom you are writing):

Has something so wonderful ever happened to you that you just had to tell someone? Well, that is the way it is for me right now. I had heard about other people who had experienced what has happened to me but never imagined it could be real.

Not long ago, **I invited Jesus Christ into my life.** Since I have made this decision, I can understand the Bible as I never could before - in fact, I **want** to read it. I can now understand what others meant when they told me what had happened to them when they came to know Christ. Most of all, it has brought me peace and joy that I have never had before and I have a love for people that sure wasn't in me before.

That is why I am writing to you. I just want to share with everyone, especially one who is related to me like you are (who is such a friend as you have been), what Jesus Christ has done for me. It would take such a long letter to tell you everything so I am enclosing a copy of a little booklet that helped me. **Please read it and then write and tell me what you think.**

I have learned to pray now as never before so I will be thanking God for you and praying for you.

Your Aunt. (Cousin, Friend)
